

IELTS LISTENING PRACTICE (COMPUTER BASED)

IELTS Listening Practice (Computer-Based)

In this IELTS Listening Practice Activity, you will focus on developing your ability to **follow main ideas**, **recognize specific information**, and **understand opinions and attitudes** across a range of everyday and academic listening situations.

On your IELTS Member Portal, click on “Mock Tests” and complete **Listening Test 6**. Use headphones, stay focused, and follow the recording without pausing to simulate real test conditions.
